

Gabriel Richard Catholic High School

ADVANCE NOTICE OF PESTICIDE TREATMENT

This notice is to be provided whenever a pesticide, other than a bait or gel formulation, is to be applied at this facility. The information will be posted using the methods identified in the annual notification to parents/guardians.

Attention: Parents / Guardians of students attending this facility:

This facility utilizes an Integrated Pest Management approach for pest control, employing non-chemical methods that include sanitation and exclusion to control pests. However, from time to time a pesticide application may be necessary to control certain pests.

Please be advised that a pesticide is expected to be applied: **Broadleaf and fertilizer, gravel areas in the baseball, softball and shot putt areas.**

The approximate location of this pest control treatment is the **Athletic fields and school**
The anticipated date of treatment will be **Saturday, June 6, 2026.**

If you have questions pertaining to this treatment, please contact:

Name: Leonard St. Pierre

Phone: 734-284-1875 ext. 124

E-mail: transportation@gabrielrichard.org
