TRANSPORTATION REQUEST

Gabriel Richard Catholic High School provides bus service to our students daily. The route is designed based upon students who apply for transportation at the beginning of the school year. While we try to include all students who request service, it is sometimes not possible to include outlying areas. **Since the bus route covers an extensive area, door-to-door service is not always possible and your student may be serviced from a centralized location (parish parking lot, designated street corner).** If you are interested in transportation for your student, please fill out this form and return it to the school office before the deadline.

DEADLINE DATE: MONDAY, June 13, 2022

Bus Service cannot be guaranteed for any requests submitted after June 13, 2022.

The Transportation Director will contact you before the 2022 school year begins to provide you with the initial bus schedule. The bus schedule may be adjusted during the first weeks of school. Once the bus route is in place, changes, if any, can only be made through the Director of Transportation.
