

New Family Referral Incentive Program

Current families of Gabriel Richard Catholic High School may receive a \$250 tuition credit for each eligible family who is referred to and enrolls at GRCHS.

How the New Family Referral Incentive Program works:

Parents or legal guardians with a student currently enrolled at Gabriel Richard Catholic High School refer a new family to GR who meets defined criteria. Once enrollment is complete and the new student has successfully completed one semester of attendance, the referral credit (\$250) will be given in the form of a tuition discount. The discount will be applied to the referring family's remaining tuition balance for the year. If the referring family has paid its tuition in advance, the amount will be applied to next year's tuition.

Terms & Conditions:

The \$250 tuition credit for referring families shall apply only toward 9th through 12th grade tuition. It will not apply toward registration fees nor any other fees incurred throughout the school year.

The referred (new) family **MUST** identify the current GR referring family at the time of its first visit to Gabriel Richard.

Only one family can be identified as the referring family on the New Family Referral Program application. If more than one family is listed, the newly-referred family will be contacted to determine which family should receive the referral bonus. If one family cannot be determined, no family will receive the tuition credit.

The following families do not qualify as "new" families:

- Families with students who currently attend a Catholic school in the Downriver or West Wayne vicariates.
- Families with students who have previously attended Gabriel Richard Catholic High School at any time.
- Families in which the student has already taken the High School Placement Test and listed GRCHS as a first or second choice.

A Gabriel Richard Catholic High School family requesting referral credit must be current on their tuition. The tuition credit cannot exceed a family's annual tuition.

Enrollment of the referred students and families is subject to the Gabriel Richard Catholic High School enrollment process and subject to principal's approval. Approval of a referred student is not a guarantee.

If a new student enrolls midway through the school year, the referring family receives half of the credit (\$125) following the new student's completion of a semester.

Some current GR families may be ineligible to participate in the Referral Incentive Program:

- Families who receive financial assistance from the school (merit scholarships excluded) are not eligible for referral credits.
- Employees of Gabriel Richard Catholic High School are not eligible for referral credits, nor may a credit be given to a current family if referring the child of a Gabriel Richard Catholic High School employee.

Tuition credits are not transferrable. This offer is subject to change or cancellation at any time.
